

Purchasing CCC Mark Notes

CCC mark could only be pasted on the products which CCC certificates' number related to. If applicant have one kind products (the 7th to 10th numbers are same of CCC certificates) to apply for CCC mark, applicant should fill in only one piece of 'Application Form for Purchasing CCC Mark' (<http://www.china-ccc-certification.com/148.html>), meanwhile more than one CCC certification specification could be selected in one form.

If special products which gained CCC certificates could not be pasted CCC mark according to some rules, it is necessary to print or impress CCC mark on the body of them. These kinds of special products could be applied for Print Impress CCC Mark, such as electric wire, tyre, safety glass.
