

# CQC Mark Application Guideline

## 1. Basic design and dimension of CQC mark

### (1) Basic design of CQC mark

### (2) Dimension of CQC mark

CQC mark design consists of a flat ellipse. Inside of ring is the name of certification: "CQC"-the abbreviation of "China quality certification"

## 2. Specification of CQC mark

CQC mark includes regular CQC mark and irregular CQC mark.

Regular CQC mark has five specification, see the table below:

	A	B	C	D	E
l*m (mm)	69*42	49*33	30*20	20*13	10*7

The specification of irregular CQC mark is different from above table's specification, but their specification must be with a linear scale to regular CQC mark's.

## 3. Colour of CQC mark

Regular CQC mark colour is white background, black letters and ring.

If using printed, moulded or other mark processes to use CQC mark on the body of product or nameplate, the colour of CQC mark could be chosen reasonably according to the appearance of product and the brand of overall design.
